29. DETAILS OF ANY GCSE EXAMINATIONS ALREADY TAKEN

Please include dates and grade achieved

EXTRA CURRICULAR ACTIVITIES

eg. Music, Duke of Edinburgh, sport etc

30.

INTENDED COURSE OF STUDY

For timetabling purposes, like many schools, we offer our subjects in option blocks. This means that students can only study a maximum of one option per block.

Please ensure you refer to our pathways and entry requirements, which can be found in the Sixth Form brochure and on our website, alongside these option blocks when making your choices.

*Students selecting BTec Business must select this option in both option C and D. As this is a double award, students should select one other option from either option block A or B.

**Core Maths is a one year qualification which can be taken in addition to 3 options chosen from option blocks A, B and C. Please see course entry requirements for further details on this course.

***Students opting to take Further Maths MUST select Maths in option block D.

Please note that option blocks are subject to minor changes.

31. Block A Option

Mark only one oval.
