

ST. JOAN OF ARC Catholic School

Summer challenge

Plan your journey

Have you thought about how you will get to school?

This week we want you to think about it carefully and maybe even have a go (if you can)

Talk with your family about –

What time you will leave the house? (and what you will need to get up and get ready)

What is your route?

If using the bus/train- what is it due? How will you pay?

How do you get from the bus stop/ train station to school? (perhaps think about practising this during the summer or when coming to get your uniform)

But also have a plan B - What will you do if..

The bus or train does not come?

You lose your payment method?

You are staying late at school?

You are being picked up but are not sure where to meet?

Your battery dies and you cannot phone home?

It might be good to make a little card for your bag or blazer with a contact number and the school number (in case you lose your phone /battery dies)

If you are ever in doubt on what to do ASK at school and we can help!!
